Biotics Research Northwest Product Spotlight

Bio-C Plus™ Bio-C Plus 1000™

For Healthcare Professionals Only

A source of vitamin C supplementation.

Bio-C Plus™ and **Bio-C Plus 1000™** supply vitamin C as mixed mineral ascorbates combined with bioflavonoids, superoxide dismutase (SOD) and catalase. Mixed ascorbates are less likely to cause digestive distress than regular ascorbic acid at this level. Use wherever the need for vitamin C is determined.

Bio-C Plus™

Supplement Facts		
Serving Size: 1 Tablet	Servings Per Container: 100	
	Amount Per Serving	% Daily Value
Vitamin C (as calcium ascorbate, magnesium ascorbate, potassium ascorbate, sodium ascorbate)	500 mg	833%
Citrus Bioflavonoids (citrus fruit)	100 mg	*
Superoxide Dismutase (from vegetable culture †)	10 mcg	*
Catalase (from vegetable culture †)	10 mcg	*

Other ingredients: Stearic acid (vegetable source), modified cellulose gum, food glaze, magnesium stearate (vegetable source) and silica.

† Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Recommended dosage is one (1) tablet three (3) times each day with food as a dietary supplement or as otherwise directed by a healthcare professional.

Product #: 1151 NDC: 55146-01151

Bio-C Plus 1000™
